The closure of the Inter Faith Network for the UK risks destroying many years of dialogue, action, and development. An ad hoc group of national interfaith bodies and NASACRE have agreed to secure and keep safe National Inter Faith Week, which takes place in the second week of November. The members of the ad hoc group are: All Faiths Network; Council of Christians and Jews; Faith & Belief Forum; National Association of Standing Advisory Councils on Religious Education (NASACRE); Religions for Peace (UK); and United Religions Initiative (UK).
