Inter Faith Week 2019 and your school

Inter Faith Week is a great opportunity for pupils to explore inter faith issues and for schools to build relationships with faith groups in their community. Here are some things you might want to consider doing this year:

- Work with your local inter faith group and SACRE to host a special assembly or ‘Question Time’
- Organise an exhibition featuring information and objects about a range of religions and beliefs
- Arrange a friendly sports match between your school and a school with pupils of mainly other faith backgrounds from those at your school
- Host a parent-teacher ‘faith quiz’ one evening in collaboration with local faith communities or a local inter faith group
- Visit a local place of worship to investigate the importance of faith in the lives of believers
- Create an Inter Faith Week poster, artwork or multifaith calendar
- Have a dialogue about a topic such as ‘shared values’ or how people of different faiths and beliefs can live well together.
- Invite local MPs/MEPs/councillors to an RE lesson to see how faith is studied and/or to discuss the importance of learning about others’ beliefs
- Make a video of events at your school held for Inter Faith Week
